Sas. 132 Pac. 39, L. R. A. 1915 F, 15, and the five should be reduced to \$22,000.

NOVEL POINTS OF THE LAW.

An important decision construing the Federal expatriation statute has bee. handed down by the United States Supreme Court in affirming the decision o four. Dummy had three to the king and I could not get in again to come through it a second time to my partner's ace, queen, ten, nine suit, so that, although my partner had the ace of trumps, that king gave the declarer a discard and she went game. My partner says I should have led the jack.

The court ruled that since Mrs. Machenzie, a singer, and she went game. My partner says I should have led the jack. kenzie had married a British subject she took the nationality of her husband. The case was a test and was regarded as

The suit to test the law providing that any American woman who marries a foreigner shall take the nationality of M. W. P. says: Dealer bids no trump, second hand passes. Third hand holds ix hearts, eight high, a singleton small liamond, and three small in each of the

expatriation and its consequence must be considered as elected." The bidder always has the first count for there it is restricted to the problem of Ireland—"self-government" would be better. If J. R. S. will read the article on "Municipal Government" in the New International Encyclopedia (Dodd. Mead: 1916) he will find the principal points of difference between English and American municipal systems stated with precision and more detail than it is possible to yield space for here. The English are developed as a popular phrase referring to Cribbage. A. M. says: Playing three hand, the cards fall 4, 5, 5, and C isegs a run. A cannot play, and B lays down another 5, for which he pegs another run of three.

A connection of the cards fall 4, 6, 5, and C is the term in the popular mind that Webster's New International Dictionary of the competitors, the done of the competitors, and there is only one voice of the competitors, the done is the competitors. tion of what was in the defendant'
